Packages

Bride & Four Bridesmaids
The Alternative Package

We understand that the Bride and four Bridesmaids package is a lot to pay out when you have so many other things to pay for in the lead up to your wedding.
With this in mind we offer the Bride and four Bridesmaids –
The Alternative Package as a way of catering to all of your needs while keeping the budget down.

How is it different?

With the Alternative you would have only one hair stylist come to the location on the day of the wedding.
You would speak with your stylist at the trial stage about how you would like your hair.
Your stylist would then suggest some time effective styles for your Bridesmaids and together you can decide on a look for your Bridesmaids that won't take to long, hence negating the need for a second stylist on the day and keeping the cost down.

*Please note that all prices reflect a "half day" appointment time.
We suggest 8am – 1pm however we can accommodate all requirements so will discuss this with you individually

Trials

We suggest a trial for the Bride and if you are having the same look for all of the Bridesmaids, we suggest a trial with one of the Bridesmaids to establish the look. Trials are done in the salon and are charged at £40 per person per trial.

If you would like to include the Mother of the Bride in any of the above packages there will be a surcharge of £40 on location and the cost of a blow dry if at the salon. If you would like to include flower girls there will be an additional charge of £20 per flower girl.

Long Distance Venues

Please note that all package prices assume a local venue. We consider anything more that a 30 minute drive a "long distance venue" and will take this into consideration when preparing your quotation.

Deposits

We would ask that the trials are paid for on the day of the trial. At this stage we would also take a 50% deposit for the wedding day. You are welcome to pay the full balance in advance if you would prefer not to have to think about it on the day.

Ben and Dean are available for wedding parties but are unable to take bookings more than four weeks in advance. POA

Things to think about

Will I be hot with my hair down?

Is there detail on the back of my dress that I want to show off?

Will I be having a veil or hair accessories?

Do I ever have my hair curled? How does it hold a curl?

Would it be better to have my hair pinned up and in place so that it isn't blowing in the wind?

Do I ever have my hair up?
Will it feel strange to have it up on my wedding day if I don't normally?

Do I like how my face looks with my hair up?

Am I/my partner tall/short, do I want extra height from my hair do?

Will I want to thicken/lengthen my hair?
Remember to speak to your Stylist about temporary hair weft/extensions.

R E M E M B E R

You only see yourself from one angle in the mirror, but on your big day people will be looking at you from all angles, so make sure that you like the way that you look from all angles.

Remember to book your cut and colour just before the wedding day so that there are no nasty roots or split ends on show!
